

My dear Miss Weston,

I fear I shall not be able to go into the Fair this season, on account of ill health — but I assure you, that you have my best wishes for your entire success in the good cause in which you have so long labored —

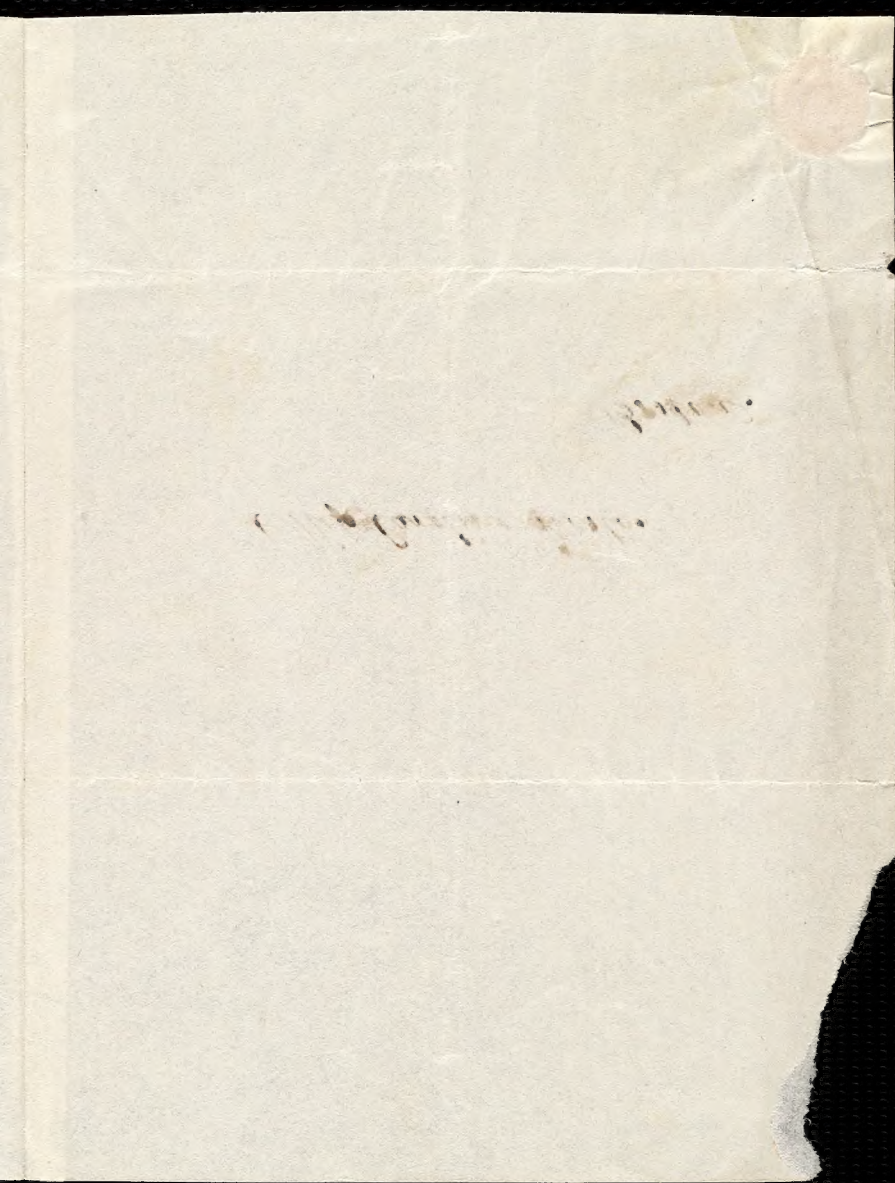

We have sent you a few things for your refreshment table, which we hope will be acceptable —

Yours very affectionately,

Caroline Porter.

Roxbury Dec. 25th 1843.
